Review the condition of Blandin Beach House.

Background Information:

As part of the City's CIP, staff has recommended the demolition of the Blandin Beach House and replacing it with a smaller bathroom facility. The current beach house is in poor condition and does not meet ADA standards. We received a quote of \$20,000 for demolition and an estimate of \$32,000 to construct a new facility.

Staff Recommendation:

City staff recommends having discussion regarding the future of facilities at Blandin Beach.
