*Title*

Discuss potential Council members to be part of the Central School Strategic Planning Evaluation.

*Body*

**Background Information:**

At the March 26, 2012, Council meeting, the Council approved entering into an agreement with Mike Andrews to assist in the strategic planning process for Central School. This process includes a community survey that was launched the week of April 2nd. The results from the survey will be compiled and then there will be two evaluation planning meetings to discuss the results, prioritize, and work on building strategies and action plans that will be presented to the Central School Commission and the City Council. The Task Force working on this project is developing a list of attendees for the evaluation planning meetings and felt it was important to have at least two Council members involved in the evaluation process. There can certainly be more than two Council members if more are interested.

The meetings will be April 24 and April 30 from 8 am to 1:00 pm. I have attached the Agendas for each meeting.

**Requested City Council Action**

Discuss potential Council members to be part of the Central School Strategic Planning Evaluation.
