Energy building

The plants are on the roof! See <u>www.grandrapidsarealibrary.blogspot.com</u> for photos. The air exchanger is being installed this week. Contractors have been working on modifying the Library's heating system to accommodate the connections. The chiller has been off for much of thelast week of Sept and the first week of Oct, leading to warm conditions in the building.

MLA conference

6 staff members are attending the Minnesota Library Association Conference in Duluth this year on October 12, 13 and 14, most for 1 day. The Friends of the Library are contributing \$100 per staff member to underwrite most of the registration cost. I received a "scholarship" to attend the sessions on Thursday that cover assisting job seekers and small businesses.

Some MLA presentation materials are on line and more will be posted: <u>http://mnlibraryassociation.org/2011-handouts/</u> **Community Outreach**

I did a presentation to Rotary on "What's new at the Library" with the goal of everyone learning at least one new thing about the Library.

Upcoming: Itasca Community Connect – we will have a table at this event at the Civic Center on October 18. **Communications**

Itasca County. We received the first half of the allocation from Itasca County. It is about \$5000 less than last year due to Grand Rapids Township being absorbed into the City. This is what we had expected, and budgeted for. The first payment is generally larger than the second payment.

Library Foundation

Fundraising for Educational portion of Energy Project: 1) Stuffer in Grand Rapids and Cohasset PUC bills in October and November. 2) Mailer to previous Foundation Donors. 3) Event to coincide with open house

December mtg. Foundation board members invite Library Board members to Gathering after December board mtg at KAXE (potluck)

Cleaning

Filthy Clean is continuing to do the cleaning this month, and the owner has suggested ways we might trim costs. We will write specifications and request bids from several vendors later this month.

Collection Agency

At the last meeting Library directors around the region we discussed using Unique Management and automating the process of collections to reduce some of the labor required. Several libraries expressed interest, so we are looking into how it might work.

Computer Equipment purchases

The computers have been replaced. The wireless network is being configured and should be in place soon. Some of the access points will require some cable installation.

New Board member recruitment

The City Clerk posted the Library Board openings in the Herald Review. The deadline for applications is December 1.

Opportunities for Board members:

Assistant Director's Report October 2011

Teens

I registered the library for National Gaming Day. This is an initiative of ALA to show that libraries are more than books. The library has participated the past few years. This website http://batchgeo.com/map/ngd11map shows libraries that have registered for the event. Because we registered for the event the library will receive some board games from family and party games.com. National Gaming Day is Sat. Nov. 12 and is for families.

The teen room monthly drawing had 13 participants. The questions were about art. Teen Read Week is coming up in October. A local teen, Maggie Desmond O'Brien, will do a program titled "Picture It".

Staff

Staff will be attending MLA in Duluth. Mary, Michelle, Amy, and Darla are attending on Wednesday. Marcia is going on Thursday and Will is going on Thursday and Friday. The conference changes locations every year. This year it is in Duluth which gives us a chance to attend easily.

Michelle recently completed a 3 day webinar titled RDA Workshop. It was provided by Minitex. RDA stands for Resource Description Access. It is a set of instructions for cataloguing items in the library. The current standard is the AACR2. RDA is supposed to be implemented in 2013. It is currently being tested by the Library of Congress.

Operations

The Children's Department has added orange stars to some books which are in a special collection.

<u>Children's Library Summary</u> For September 2011

With the first month of school behind us, we are settling into our routines. It is great to see some familiar faces returning after the summer vacation.

Saturday Storytimes are continuing, thanks to the generosity of the Library Foundation. Missy Gray continues as the teacher, ably assisted by Suzy, Teri or Rachel. The first couple of Saturdays, our numbers were down – as families figured out their new schedules – but have more recently returned to "normal."

Monday Book Time recommenced on September 19; Suzanna Elsen is the teacher again this year, with assistance from Suzy Hepokoski. We are happy to see familiar friends return, but also delighted to see new faces each week.

On September 15, we were visited by the two 4th grade classes from Southwest Elementary. Mrs. Mike-Johnson also let us know that her class would be back periodically to work on special projects. We look forward to getting to know those students better.

Family movie night, which takes place the fourth Thursday of each month, was pretty quiet in September as it was also Open House Night for area schools. Still, we had 12 people here to enjoy "Phineas and Ferb: Across the 2nd Dimension."

Looking ahead:

- Tuesday, October 4, 2011 @3:30 pm, the artists of the Creativity Tank will be here to guide us in making pull-out pocket books. The design and theme: "How to B," are based on the books of Munro Leaf.
- Thursday, October 13, 2011 @2:00 pm, eight musicians from the Minnesota Orchestra will present a Kinder Konzert! It is a wonderful opportunity for young children to hear individual instruments of the orchestra up close. Narration is provided and is based on the book, *Max Found Two Sticks*.
- Thursday, October 27 @ 6:00, Family Movie Night presents: *Spooky Buddies*. It's Halloween and the mysterious mansion across town is the scene of some very spooky action. Join the irresistible talking puppies as they work together to save the world from Warlock the Magician's dastardly deeds. Rated G. 90 minutes. Bring dinner or a snack to enjoy as you watch the film.

Library Volunteer and Program Report for September 2011

SeptemberVolunteers

31volunteers/261.75 hours:

6 Board and 5 Program Committee members logged over 80.5 hours of service time.

Volunteer Activities

- A new volunteer started in late Sept. She will help with the pull list on day a week and work into shelving when we need shelvers in the winter.
- Another new volunteer has been helping with a variety of tasks—processing discards, sorting children's books for the book store, cleaning travel files, moving tax forms to recycling, wiping tables in the meeting room and breaking down boxes. Staff appreciate her versatility and willingness to tackle whatever we ask of her.
- One new volunteer has come on board to help with the Used Book Store. A second volunteer will join the bookstore team in October as we plan for long-time bookstore helper, Jack Flink, to retire.
- Mary Ann continues to pick up used books and take them to Evergreen Terrace and Grand Village nursing homes.
- Nicole, a high school student, began volunteering just before the book sale. She has become a regular volunteer helping Amy shelve books in the YA collection and doing other teen related projects.
- We lost Joanne who has laminated for us the last couple of years. The staff no longer felt this task was one that should be assigned to volunteers.
- There are 3-4 individuals on a waiting list to become library volunteers.

Grand Rapids Area Library Request for Board Action

Packet Item:

G R 1

Board Meeting Date: Wed. October 12

TITLE OF ISSUE: Teen Read Week fine reduction coupons

BACKGROUND AND SUPPLEMENTAL INFORMATION:

Teen Read Week (Oct 16-22) is an initiative of the Young Adult Library Services (YALSA) division of ALA and is held annually in October. Libraries across the world celebrate Teen Read Week with a variety of special events and programs aimed at encouraging teens to read for pleasure and to visit their libraries for free reading materials.

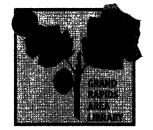

Teens fill out a survey about teen programs and materials in the library. After finishing the survey, teens are issued a coupon for up to \$5.00 off library fines. The coupon has no expiration date but can only be used 1 time.

When teens pick up a survey from the reference desk it gives them a chance to talk to a librarian. I use the completed surveys to get a feel for what books teens like and to get an idea of what types of programs they may be interested in.

We have done the survey during Teen Read Week the past four years (2007, 2008, and 2009, 2010). In 2010, 18 teens completed the survey and received the coupon. There were 4 coupons that were actually used.

REQUESTED BOARD ACTION: Authorize issuing coupons for \$5.00 fine reduction to teens completing survey during Teen Read Week 2011
