Section I - Introduction

This policy was developed to be used as a guide by Grand Rapids Public Utilities (GRPU) personnel and to provide GRPU customers the greatest practicable latitude in the use of utilities services consistent with reliable, economical and safe service to all customers. The result of using this policy should be consistent, logical and fair treatment of GRPU customers in regard to water and wastewater discussions.

Legal ramifications of these policies are addressed in various parts of the Municipal Code.

Point of Delivery:

Private property owners are responsible for the maintenance of the water line from their property up to the curb stop, unless otherwise specified in customer's service agreement. The water meter and the water node are property of the GRPUC on the service line.

Private property owners are responsible for the maintenance of sanitary sewer components from their property up to and including the connection to the public system unless otherwise specified in customer's service agreement.

Tom Stanley
GRPUC President

Luke Francisco
GRPUC Secretary
